The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

This certification is conditioned upon the following:

DESCRIPTION:

Zombie World is a 7 station competitive group gun game. Players compete against each other using a gun/ laser pointer. The object of the game is to shoot the assigned zombie, which springs up at the player once the game commences. Sensors are located in the head and chest of each zombie. Shooting the sensor that is located in the head of the zombie is worth more than the sensor in the chest. Total score is based upon the number of hits and the location of the hits. The player with the highest point total wins.
